

Glenn Adamus, Vice President Operations

Mr. Adamus has been with HDI for nearly nine years and is responsible for all field operations. He is conversant in Federal, State and industry drinking water regulations/guidelines as they apply to water quality control practices. Mr. Adamus holds a B.S. in Biochemistry and a Masters of Science Degree in Environmental Science from the University of Michigan – Dearborn, publishing research on water contamination studies and forensic modeling. He has performed and managed various water quality analysis projects related to process water and potable water systems including Stage 2 DBPR, Lead and Copper Rule, water distribution system/quality characterization studies, water main disinfections, legionella risk assessment and monitoring, and industry compliance monitoring. He has also performed and managed numerous cross connection control surveys/projects for large industry and public water systems.

Glenn also has conducted numerous training and program development programs, to include the following:

- Michigan Department of Environmental Quality (MDEQ) - Cross Connection Control - Basic Training
- MDEQ Advanced Cross Connection Control Training – Food Establishments
- MDEQ Cross Connection Control Training – CCC Plan Development
- Industry Cross Connection Control and Water Quality Training (Honeywell, Chrysler Corporation) – Basic Training
- Delaware Rural Water Association - 40 Hour Cross Connection Control Surveyor and 40 Hour Backflow Prevention Assembly Testing Training

In addition to his field experience, Mr. Adamus has the following certifications:

University of Wisconsin Madison – College of Engineering

- Cross Connection Control and Backflow Prevention Assembly Testing Certificate

University of Wisconsin Madison – College of Engineering

- Cross Connection Control Surveyor Certification

American Society of Sanitary Engineering

- Backflow Prevention Program Manager – 5150 Certification

Michigan Department of Environmental Quality

- Michigan Department of Environmental Quality (MDEQ) Water Bureau, Soil Erosion & Sedimentation Control Certification, Part 91
- Michigan Department of Environmental Quality (MDEQ) Water Bureau, Certified Construction Site Storm Water Operator Certification
- Michigan Department of Environmental Quality (MDEQ) Water Bureau, Certified Industrial Site Storm Water Operator Certification

Professional Memberships

- Member - American Water Works Association (AWWA)
- Member - Michigan Industrial Hygiene Society (MIHS)
